

International Women's Day 2024 @ CNIC

The campaign theme for International Women's Day 2024 is **#InspireInclusion**

When we inspire others to understand and value women's inclusion, we forge a better world.

We would like to inspire you with these researchers at the CNIC. Do not miss the opportunity to listen to them.

8/03/2024

11:00

CNIC Auditorium

11:00 AM: Welcome and showcase video about the research performed at the CNIC

11:15 – 12:30 h: “Women scientists from around the world at the CNIC”

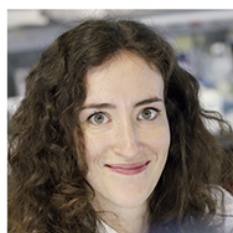

Five international researchers, currently working at CNIC, will share their thoughts on scientific careers. The colloquium will include a Q&A session, allowing attendees to interact with them.
