Outline of further steps of the selection process:

Candidates required to amend their applications to meet eligibility criteria will be given until 26/12/2024 at 17h (CET time) to complete the necessary changes. Once all additional information has been received and checked, a list of candidates progressing to the matching phase will be published.

During the matching phase, communication with the host groups chosen by the candidates will be facilitated to ensure that it is feasible to implement the proposed project at CNIC .

Only candidates with projects that can be implemented at CNIC (with respect to the necessary infrastructure and supervision), and who have obtained a feasibility letter from the hosting group, will proceed to Stage 2 (full proposal submission).

Upon completion of the matching process, the list of candidates advancing to Stage 2 will be published.

Application Stage 2, writing of full proposals by groups and candidates, is expected to start in March 2025.
